FOREWORD

My first thought when I saw the original books were, "How can it be done", but by perseverance and the help of Mrs. Nemeschy and Mrs. Oscar Hey I have, to the best of my ability, translated the contents of the vital statistics books and the highlights of the business meetings into a more readable record. Any change and/or discrepancies could be caused by translation or more modern spelling.

Everyone approached has been most cooperative and willing to give information. A small knowledge of the history of the church and community has helped and the pleasure of copying it far exceeds the work done, and I feel favored to have been appointed to do it.

our heritage

Webster defines faith; belief in what is given forth as a revelation of man's relation of God and the infinite; a settled conviction in regard to religion. Every true American knows the words, ".....secure the blessings of liberty to ourselves and our posterity,...." These two things, faith and hope, must have sustained the founders of this church.

From the country that spawned the Reformation came a large group of hardy immigrants to a new country, founded to rid themselves of tyranny, and for religious freedom. They came also to western New York, many settling in and around Pown Line. After traveling to Lancaster for a time, through all kinds of weather, to attend church services they decided they needed and wanted a house of worship nearer their homes, and thus was originated this congregation.

They came, the elders, the young married with their children, and the unmarried. Their lives were not without hardships, heartaches and trials. Faith sustained a father at the death of a beloved son whom he had wanted to follow in his calling, and the death of more of his children. He went on to help rear orphaned children. Faith sustained a woman who lost her husband after seven years in a new country, leaving her with a nine year old son to rear and a farm to run. That she did well is borne out by the fact that the land remained in the family for a hundred years. Their children's names to the third, fourth and fifth generation are still on our books,

Faith sustained the father and mother who lost five children in eleven days. Many parents lost one, two or three children. In a given time are listed 205 baptisms, in the same time 55 children died.

EARLY HISTORY

"Mr. Foster Kidder, a kind and benevolent neighbor, who owned property on the Town Line Road near Broadway, offered these Lutheran settlers the use of a small building on his property in which to hold Divine Services. In the summer of 1852 the Rev. Christian L. Knapp of Lancaster came out to conduct the first Lutheran Services at Town Line. On March 3rd of the following year, 1853, a congregation was organized under the leadership of Rev. J. Krummel, who had come in February, 1853. During the same year the present church property and land for a cemetery was purchased for \$125, and the first church, a brick building, was built at a cost of \$900, the work being done almost entirely by the members. The church was dedicated Aug. 17, 1853.

The congregation was incorporated on Jan. 5, 1855. The Petition for Incorporation was signed by the three trustees, Michael Asmus, Sr., Nicolaus Kiefer, and Jacob Kintz. During the first years of the congregation membership increased very rapidly, members even walking from Elma to Town Line to hear the word of God.

After some time Rev. Krummel was called to another charge. The second pastor was Rev. Gottlieb J. Ade. Rev. Ade was a man with a family and the need of a parsonage was felt. Therefore, during his pastorate a parsonage was built, the exact date being unknown. On Jan. 1, 1869 Rev. Ade resigned."

The above is a copy of the early history taken from the booklet for the hundredth anniversary celebration in 1953. This account was given to Rev. E. M. Nemeschy shortly after 1913, by Rev. Ehinger a former pastor.

MEET THE PASTORS

In 1852 the Rev. Christian Knapp of Lancaster came here to conduct the first Lutheran services at Town Line. The first services were held in a building on the farm of Foster Kidder. On the third of March in 1853 a congregation was organized under the leadership of Rev. J. Krummel who had come in February of that year.

After some time Rev. Krummel was called to another charge and the second pastor, Rev. Gottlieb J. Ade, was called. He resigned on January 1, 1869.

In June, 1869 Rev. A. C. Kuss from Humberstone, Ontario, Canada, started his service here. He also was a family man, as was Rev. Ade, so the new parsonage was appreciated.

Two sons and a daughter were born to Rev. and Mrs. Kuss here. One of these sons, and one born previously, and a daughter born later, are interred in our cemetery, together with Pastor and Mrs. Kuss. He left the church here in 1875 to become house father at the Lutheran Orphanage on Mineral Springs Road in Buffalo.

In September of 1875, upon the recommendation of Pastor Kuss, Rev. W. A. Dahlke was called and served as pastor until the fall of 1878. A daughter was born to them in 1877.

Rev. Kuss confirmed classes in the Lutheran church in Millgrove, located on the site of the present Millgrove Community Church on Genesee Rd., at St. John's Lutheran Church on Woodard Road in Elba, and at Bennington Center. Rev. Dahlke also confirmed at Elba.

In 1878 Rev. F. Ehinger accepted a call and became pastor. Two of his daughters were married here; he baptized a grandson in the church; and also confirmed two of his sons and a daughter. He resigned May 4, 1884.

Rev. Richard Schulze was called from the Martin Luther Seminary in Buffalo. Three sons were born here. He was called to the east Aurora-Alma-Porterville Parish in 1890.

Rev. C. Peters served the congregation from August, 1890, until the Spring of 1892, when Rev. Ludwig Breu came and served until October of 1894.

Rev. Frederick Plenz from Martinsville, N. Y. was called. He confirmed a son and a daughter here; resigned to take a professorship at the Seminary in Buffalo. While there, one of his students was a later pastor of our church, Rev. Edward A. Nemeschy.

Rev. Rudolph Dieckstahl of Schenectady, N. Y. was the next pastor. There were no children in this family. To gratify the wishes of his wife to return to their native Germany he resigned in the summer of 1913.

In December of 1913 Rev. and Mrs. Nemeschy and two little daughters came here from County Line. He instituted many changes and improvements and his work speaks for itself. Most of us remember him and his faithful service of 43 years. Because of failing health he retired in 1956 and moved to Lancaster. On Thanksgiving Day in 1962 he was called to his eternal rest, but his memory will always be with us. Mrs. Nemeschy, Gert and Bob and their family are still active among us.

Rev. and Mrs. Jay C. Stratton, Prudy aged 28, and Carol, brand new, came to us from Columbus, Ohio, by way of a Sheridan Drive Lutheran Church in Buffalo, with the new year of 1957.

BUILT TOGETHER

"Unless the Lord builds the house, those who build it labor in vain." Ps, 127:1.

In 1853 the church property and land for a cemetery was purchased for \$125. The first church, a brick building, was erected at a cost of \$900, the work being done almost entirely by members. Some time before 1870, (according to hearsay) there was a fire in the building which could have weakened the structure because by 1874 major repairs were needed. It is also thought if there were records previous to the existing ones they might have been destroyed at that time.

In 1875 the present church building was started. The cornerstone was laid on June 6, 1875 and it contains, among other things, a German Bible, a Lutheran catechism, church hymnal, history of the congregation, calendar, church publication from New York and one from Canada, a kronen, Buffalo newspaper, A B C book, and postal card. It was dedicated in February of 1876. The cost was \$4,500, and much of the work was done by members.

About 1880 the parsonage was renovated and a wing added. This is presumed to have been the room where catechetical classes were held, and school also. There was a charge of eight cents per pupil per week, and classes were held every Saturday.

Some time between 1894 and 1905 the church was renovated. The old wood stoves and kerosene lamps were replaced by gas stoves and lights, pews rearranged for a center aisle, and a pipe organ installed.

In 1915 the first church annex was built at a cost of \$2,500. This was a two story addition on the east side of the church, occupying about as much space as the kitchen and stage now does. The lower floor contained the kitchen and dining hall and the upper floor was the meeting hall. At this time the Sunday School was transferred to this building.

The wagon sheds were directly across the road from the church on rented land. They were later moved onto the church property, and finally torn down.

The church basement was built and a furnace installed by 1921. The building was also wired for electricity and a new pulpit and altar were dedicated.

In 1924 the present parsonage was erected, the old one was sold and moved across Town Line Road, and is now part of the house owned by the Gallagher family. While the construction was going on the pastor's family lived in the 'schoolroom'. After the house was completed this schoolroom was also sold and moved north on the Town Line Road.

After a twenty-eight years the cemetery had gotten into a state of disrepair. It was an established rule of the church that a family was responsible for the upkeep of their graves. New generations were born and the graves became neglected. In 1931 care of the cemetery was assumed by the church; gravestones were restored, and it was seeded into lawn.

With the combined efforts of most of the men of the church, work on a new parish hall was undertaken. In 1940 this, together with a chancel, was completed. At this time the pipe organ was rebuilt. The entire cost was \$30,000.

A storm vestibule was added in 1948 and the tower rebricked. In 1951 the nave was replastered, the chancel rebuilt, new light fixtures installed, and the loud speaker system added.

The need for a larger educational building was felt and in May 1957 ground was broken for the present school rooms. The lower floor contains classrooms, the first floor has offices, an auxiliary kitchen, and classrooms. The upper floor at that time was left unfinished but in a few years that space was also needed and the rooms were completed.

WITHIN THESE WALLS

"...to beautify the place of my sanctuary and I will make the place of my feet glorious." Is. 60:1.

"The church is to be kept swept, dusted and aired every two weeks, and scrubbed every year" was one of the rules of the early church. Cleanliness and beauty go hand in hand.

Despite a hand-to-mouth struggle the desire for beauty appeared early. A pastor, desiring a new altar, donated one half of its cost. With the renovation about 1910, the stained glass windows were installed, some as memorials and some donations by members. At this time the wood stoves and kerosene lamps were replaced by gas stoves and lights; pews rearranged for a center aisle, and 118 yards of carpet (at \$.87½ a yard) were bought by the newly organized Ladies Aid Society. The baptismal font is a memorial to a former organist.

After the alterations in 1951 a large number of donations and/or memorials were included in the furnishings. The pulpit and the stained glass window in the chancel were given by two church organizations. The vases and weekly flower arrangements on the retable, the paraments, the missal stand, the service candle holders, the candelabra, the collection plates, the credence table and the communion set were gifts in the chancel. In the nave are a number of pews, a great number of the latest hymnals, and the chimes on the organ are all donations or memorials. Again the Ladies Aid Society furnished new carpet.

In the parish house are more donations; an organ, the altar, some classroom furnishings; furnishings for the Pastor's office, and the gowns for the Junior Choir. There are many more not mentioned. All these help to create a harmonious and beautiful interior.

WAYS AND MEANS

"He who sows sparingly will also reap sparingly, but he who sows bountifully will also reap bountifully." II Cor. 9:6

A penny saved is a penny earned, and a great many pennies were saved and earned by the unstinting work of many men and women of the congregation. The original church building, the building of 1873, the annex and the parish hall are fitting examples.

Despite the labor by the men, the money owed was hard to come by. Until about 1915 many of the yearly accounts were closed in the red. The first few pastors' salaries were \$400 per year, payable quarterly, and sometimes they had to wait for it. The building debt was hard to pay. The last \$1,000 of the 1873 building was to be collected by this plan; this being a good harvest year the congregation was divided into five groups according to their supposed ability to pay. One group was expected to pay \$25, the second \$20, then \$15, \$10 and \$5, the total being about \$1175. They failed to collect it all but the debt was paid by the pastor deferring payment of about \$80 of his salary.

At one time, to discourage the nonpayment of their church money, the names of the paid-up members were read yearly. In lieu of a raise in one pastors salary he was given more farm produce, another received firewood for the winter.

As this was a farming community and the income was annually from crops, debts were often paid by notes. So it was often with the payments to the church. Money at that time earned 7% interest.

There was no envelope system, or even church dues. The largest part of the income was from pew rent. Each family had their own pew and could request anyone else occupying it to vacate. The offering constituted a very small percentage. The initial membership cost ranged from .2 to \$5, and even this was known to have been paid by note. An adult grave in the cemetery was \$1.00, a child's grave .50. Cost to be paid for church school was raised from six to eight cents a week. This school was held every Saturday.

On the disbursement side were the pastor's salary, \$400 to \$500, firewood for the year, \$35 to \$40, annual cleaning of the church \$3.00. Later on was pumping the organ \$5 to \$10 and pew rent, and organist's salary .75 to \$1.00. One item of interest was 174 feet of hemlock lumber for \$2.63. The firewood was purchased from the members and the price varied with the seller and between hard wood and soft wood.

Not until after 1915 did any yearly report run into four figures. Church dues were then assessed instead of pew rentals, families to pay \$1.00 per year, single members under 21 years of age \$3.50 and those over 21 years \$5.00 per year.

The pastor's salary was raised \$.50 a year, half to be paid out of the treasury, the other half to be a freewill offering by those not paying pew rent.

MUSIC

"The chiefs of the Levites to appoint their brethren as the singers, who should play loudly on musical instruments, on harp and lyre and cymbals, to raise songs of joy." 1 Chr. 15:16. Thus commanded David when he moved the tabernacle to Jerusalem.

The first organ in the church was located on the balcony. There was a choir in the 1880s and, according to notes kept by one of the members, they were fined for non attendance. Later on a group sang for special occasions.

About 1905 a pipe organ was installed in the front of the nave, where the choir pews now stand. It had to be pumped by hand and a man was hired for this job at a salary ranging from \$5 to \$10 per year, plus pew rent. At this time the pulpit stood in the center front with the altar placed in front of it. The organists salaries ranged from \$75 to \$100 per year. Later the organ was electrified but it was necessary to have someone at the services who could pump it by hand, which was often necessary. When a chancel was built in 1940 the organ was rebuilt. The chimes were added in 1946.

The present choir was organized in 1941 by Rev. Aemeschy, who directed it until 1953, Mrs. Luderman was the accompanist. About this time Miss Annie Meiner resigned as organist and Mrs. Luderman replaced her.

Mrs. Joseph Farr organized the junior choir in 1958 and directed it until 1963 at which time Mrs. Conrad Holz became the director. Both choirs have helped to beautify the services.

CHURCH SOCIETIES

The Ladies Aid Society was organized in December 1908 by Rev. Adolph Dieckstahl. It takes care of the 'housekeeping' and social affairs necessary for the well-being of the congregation, and stands ready to aid in whatever it is called upon. Its membership is open to any member of the congregation and they are always welcome.

For further education, Christian fellowship and recreation the Young Peoples Society, now called the Luther League, was formed in 1914. It is open to all young people after their confirmation.

As the years passed and the first young people became older, the Senior League was started. This dates to 1935.

Time does not stand still and an in-between group organized as 'The Christian Fellowship League' Its name fitly describes its purpose.

All these organizations devote part of their meeting time to devotion and Bible study as well as business and entertainment.

The church had membership in the Ladies Aid Society of the Lutheran Orphan Home on Mineral Springs Road in Buffalo, and the Lutheran Home for the Aged on E. Delavan Ave. We have a large membership in the Niagara Lutheran Home Guild, also in the Lutheran Mission and Extension Society.

In 1957 the first publication of the Town Line Lutheran Church News was mailed out; edited and published by Miss Henrietta Cornell from her home. It later was moved to the church office and enlarged. This is sent out monthly by and for individuals, societies and groups with informative and interesting articles. Contributions of interest are greatly appreciated.

Only one list of membership is found.
This is presumed to be by Rev. Kuss,
toward the end of his pastorate, 1875.

REV. A. C. KUSS
1869 - 1875

In the spring of 1869, a call was extended to, and accepted by Rev. A. C. Kuss, who was serving a congregation at Humberstone, Ont., Canada.

In April of 1870 the trees around the cemetery were planted. Discussions for enlarging the church building were held but no definite decisions were made. In 1874, at the funeral of Adam Bieber, there was danger of the roof collapsing, which called for action. At a congregational meeting it was unanimously agreed to erect a new building of brick construction, 70' x 40'. The cost was \$4,500 much of the work being done by the members.

On June 6, 1875 the cornerstone was laid by Rev. Knapp, the organizing pastor. It contains, among other things, a German Bible, Lutheran catechism, hymnal, history of the congregation, almanac, Lutheran Church publication from New York State and one from Canada, German Kronen, Buffalo newspaper, A B C book and a postal card.

The minutes of the meeting of Apr. 3, 1871 record; After much consideration and prayer, the pastor admonished some of the members for disobedience of the church rules, in accordance with Matt. 18: 15-20, 1 Cor. 5: 11-13 and 11 Thes. 3:14. At the meeting of Apr. 1, 1874, forty-six names were removed from the church roll.

In the fall of 1875 he resigned to accept a call to become housefather at St. John's Lutheran Orphan Home at Sulphur Springs, N. Y., now Mineral Springs Rd., Buffalo.

While serving here he also confirmed classes at the Lutheran Church in Millgrove, which stood on the site of the present Millgrove Community Church on Genesee Rd.; at St. John's Lutheran Church on Woodard Rd. in Elma; and also in Bennington Center.

In those days the infant mortality rate was very high. There were 208 baptisms, representing 130 families, and there were 55 children's deaths in the same time. The Pastor's family was not exempted. Two sons and a daughter were born to them while here; an older son and one born here died at this time. A five week old daughter, born to them later is also interred in our cemetery. Before his retirement Rev. Kuss asked for and received permission to be buried here at his death.

His salary was \$400 per year, payable quarterly, plus the use of the house, and, donations of produce by the parishioners.

Rev. A. A. Dahlke

1875 - 1878

Upon the recommendation of Rev. A. A. Dahlke, Rev. Dahlke was called and duly installed.

The new church building was dedicated in February of 1876.

Rev. Dahlke also confirmed a class in Lima in 1877.

A daughter was born to them in January, 1877.

His resignation in the fall of 1878 was accepted reluctantly and with regret.

Rev. F. Ehinger

1875 - 1884

In 1878 Rev. F. Ehinger accepted a call as Pastor. During his pastorate the parsonage was renovated and the south wing added.

The congregation desired to raise his salary but there still remained part of the debt for the church building. It was then decided to donate wood for use in the parsonage. Often the pastors' salaries were not paid at the stipulated times.

In 1880 \$1,000 was still owing on the building. This was a good farming year, therefore a system was devised for collections for the debt. The membership was divided into five groups, according to their supposed ability to pay. There was a group for \$25., \$20., \$15., \$10., and \$5.00. This would have provided enough and to spare, but it was not all paid. The pastor deferred \$81. of his salary to cancel the cost.

To discourage the non-payment of pew rent, once a year the names of paid-up members were read. At this time Mission and Orphan boxes were installed in the vestibule. A raise of \$50.00 a year was given the pastor, half to be taken from the treasury, the other half by freewill offerings by those not paying pew rent.

Two of his daughters were married here; he baptized a grandson and confirmed two of his sons and a daughter.

He resigned May 4, 1884.

Rev. Richard F. Schulze

1884 - 1890

In 1884 Rev. Richard F. Schulze was called from the Martin Luther Seminary in Buffalo.

He endeavored to institute many changes which a staid congregation would not accept.

In 1890 he accepted a call to the East Aurora - Elme - Porterville Parish.

Three sons were born to him while here.

THE CHURCH'S 50TH ANNIVERSARY

The interior of the
Church as it was
decorated for the
celebration.

Rev. Frederick Plenz
was the Pastor at that
time.

Rev. Frederick Plenz

1894 - 1905

In the fall of 1894 Rev. F. Plenz was called from Martinsville, N. Y. During his pastorate the church was renovated; pews arranged for a center aisle; pipe organ installed; wood stoves and kerosene lamps replaced with gas lights and stoves.

The fiftieth anniversary of the congregation was observed with a joyous celebration.

A daughter Margaret and a son Gerhard were confirmed by him here.

In May, 1905, Rev. Plenz resigned to devote his entire time as professor in the Martin Luther Seminary in Buffalo. He was one of the teachers of a later pastor, Rev. Edward M. Nemeschy.

Rev. Rudolph Dieckstahl

1905 - 1913

Rev. Dieckstahl was called from
Schenectady, New York.

During his pastorate the Ladies Aid Society
was organized, December 1908. The first
English services, one evening service a
month, were introduced on a trial basis.

The stained glass windows were installed.
Three are memorials to earlier members
and the others were donations.

Rev. Dieckstahl asked for and received a
short leave of absence to accompany his
ailing wife to Switzerland for an operation
by a specialist.

He resigned in the Summer of 1913.

Rev. Edward M. Nemeschy

1913 - 1956

Rev. Nemeschy was called from County Line, N. Y.

The English services had proven themselves and in January 1914 regular Sunday evening services were started. The Sunday School became exclusively English. Morning English services were started in 1919,--the first Sunday of every month. Gradually more English services were included until about 1937, when all morning services were English, and the evening services discontinued. With the passing of the older German people the German services also passed, the last ones being held once a year, every Good Friday morning.

In 1915 the first church annex was added, at a cost of \$2200.

The centennial of the church was observed with special services, and a dinner for the congregation at the Buffalo Trap and Field Club in Cheektowage.

He resigned because of failing health, in 1956, after serving the congregation for forty-three years.

This concludes the happenings as recorded in the German Protocol Book; the last entry are the minutes of the 1920 meeting.
